(2) When facilities financed in part by FmHA or its successor agency under Public Law 103-354 grants are transferred or sold, repayment of all or a portion of the grant is not required if the facility will be used for the same purposes and the new owner provides a written agreement to abide by the terms of the grant agreement.

Any exception to the servicing requirements of NP loans under this subpart must have prior concurrence of the National Office.

§ 1951.217 Public bodies.

Servicing actions involving public bodies will be carried out to the extent feasible according to the provisions of this subpart. With prior National Office approval, the State Director is authorized to vary from such provisions if necessary and approved by OGC, provided such variation will not violate other regulatory or statutory provisions. To request approval, the case file, including copies of applicable documents, recommendations, and OGC comments, will be forwarded to the Administrator, Attention: (appropriate program division).
